# What is a Sustainability Lab?

Cornerstones of the event series

It searches answers to the question of how to reduce CO<sub>2</sub> on a local level.

# What is a Sustainability Lab?

Cornerstones of the event series

- A Sustainability Lab can consist of **initiatives** and **individuals**.
- Together they discuss the **challenges** of **climate protection** on a **neighborhood level** and **explore opportunities** for a positive impact.
- These opportunities will be developed into **innovative and realistic solutions** and **carried out** by the lab groups with support by GreenBuzz.

# Overall Goal & Projects

How to transform challenges into tangible results

# Goal

What do we aim for?

- The goal is to take up **new or existing challenges** related to climate protection of local activists and initiatives and help with **new ideas and approaches** to tackle those challenges
- Gain **more supporters** and **manifest engagement** for the cause
- **Implement** the outcoming projects

# Projects

What could an example for a project be?

- Urban gardening
- Education programmes in the fields of sustainability
- Development of sharing systems for expired food
- Promote buying locally and ecological
- ...

# Labs Setup

How to transform challenges into tangible results

# Setup

How to transform challenges into tangible results

A Sustainability Lab operates on neighbourhood level, so **three districts** of Berlin have been selected for 2018:

- Kreuzberg-Friedrichshain
- Neukölln
- Wedding

# Setup

How to transform challenges into tangible results

- Each lab starts with a **full day workshop** to
  - form groups
  - discuss and decide for a challenge
  - develop first ideas and solution
- **2 shorter follow up sessions** to
  - check progress
  - work out next steps

# Support

by the GreenBuzz Berlin Network

# Support

by the GreenBuzz  
Berlin Network

## GreenBuzz Berlin will

- **Initiate** and set up main workshops and follow-up sessions
- Provide support by professional coaches **during the sessions and before**
- Support with small **financial backing** for the projects (materials,etc.)
